

Baldwin Center Membership

Upon the Baldwin Center's Re-opening, membership will be required to enter the Baldwin Center, as well as to participate in any events, activities and/or classes hosted by the Baldwin Center.

Membership Fees:

- **Stratford Resident Fee: \$5**
- **Non-Resident Fee: \$25**

Each member is issued a My Senior Center Scan Tag that you will need to gain entry into the building. Members must scan their tag at the window located at the main entrance before proceeding to any other areas in the Baldwin Center. Members must also scan their tag at the window upon departure from the Baldwin Center. This policy increases the security of the building and the safety of building patrons on a daily basis, as well as the ability to respond in cases of emergency.

Program Registration:

Members are required to pre-register for events, activities and/or classes. To register for Baldwin Center events, activities and classes, please call the Baldwin Center at (203) 385-4050 to speak to a staff member that will be able to assist you with registration.

One-Day Visitor Pass:

For those interested in becoming members of the Baldwin Center, and would like to visit prior to becoming a member, a One-Day Visitor Pass may be obtained at the volunteer window located at the main entrance. Visitors are required to manually sign-in upon entry to the Baldwin Center, as well as sign out when they are departing from the Baldwin Center. A One-Day Visitor Pass may only be utilized once per membership year.

COVID-19 Waiver Requirement and Mask Policy:

All members, as well as anyone issued a One-Day Visitor Pass, are required to sign the Town of Stratford's COVID-19 Waiver.

At this time, face masks are required to enter the Baldwin Center. Proof of vaccination is not asked for at this time; however, it is imperative that these guidelines be followed in order to continue to maintain the safety of our patrons and staff. **Please note that this policy may be adjusted at anytime depending on the recommendations of the CDC, the State of Connecticut and/or the Stratford Health Department.**

Baldwin Center Member Code of Conduct:

All members of the Baldwin Center, as well as anyone issued a One-Day Visitor Pass, are required to review and sign the Baldwin Center Member Code of Conduct Agreement. Thank you for joining us in our mission to ensure that the Baldwin Center continues to be a safe, respectful and welcoming space for older adults.
